

Meet our team

Linda was born and raised in Bennington, Vermont where she owned and operated a baton twirling school and coached high school cheerleading for many years before relocating to Maine.

Linda comes to Alliance Physical Therapy with over a decade of experience in the medical field. She enjoys interacting with the patients and observing their progression from intake to discharge.

Linda and her husband, Ron, reside in Portland. Linda has two grown children, three grandchildren and two stepgrandchildren.

Most of her spare time is spent with family. She can usually be found at a soccer game, track meet or at the beach! She is an avid New England Patriots fan and her favorite hobby is scrap-booking.

Linda Johnson

Medical Receptionist
